Attention: Membership Committee**

Palm Resaca Mobile Home Park, Inc. (PRMHP) is a privately owned, no pet, independent living community for people ages 55 and over. Acceptance for membership in the Corporation authorizes you to either move an approved mobile home onto a vacant space in the park or to purchase a home that is for sale in the park.

Residency is restricted to up to two people in a mobile. This may consist of two members or a member and a Membership Committee approved non-member. A shareholder's spouse/partner who is under 55 may apply for an age exemption from the Membership Committee.

A shareholder who resides alone, and receives prior approval from the Membership Committee, may have one approved adult, over 55, non-member live with him/her on a non-fee basis. If the status of the residents in a mobile change, the office must be notified, (i.e. the addition of a significant other in the mobile.)

This application is your primary opportunity to provide information that will be used to either ACCEPT or DENY membership without comment. Both persons who propose to **reside** in the mobile in the Park need to apply and fully complete the information in this application. **Both applicants should provide complete and candid answers. Failure to complete any section may make the application subject to denial.**

Application for membership also requires an interview with one or more members of the Membership Committee. This interview may be conducted in person or by telephone.
