

**Recreation Club Meeting
Minutes
November 22, 2025**

The meeting called to order at 9:30 am by President Dave Jacobsen.

Minutes: Approved as posted

Treasurer's Report: Presented by Treasurer Bonnie Stanley

Expenditures for the 24-25 year were \$33,665.27 which included the Rec Club's contribution of \$4,000 to the covers at the shuffle courts. Club's balance on 11/22/25 was \$13,232.65. Report approved as presented without questions.

Old Business: No old business

New Business:

Proposed change from By-Laws to Rec Club Rules are posted. Further copies are available by contacting any member of the Rec Executive Board. By-Laws are to be replaced by a list of rules as the Rec Club is not a legal organization, but rather a club authorized by the Park Board.

General Discussion:

Rec Club success is a result of its volunteers and those willing to lead events.

The subject was raised about installing one or more fountains in the resaca. It was brought up that this issue had been referred to the Park Board in the past, and the cost benefit analysis was that the Park Board would not approve a fountain in the resaca.

A question was raised about sharing Rec Club information on the Park's website. Concern was raised about Rec information being open to the

general public. This issue will be sent to the Rec Executive Board for further investigation, and brought back to the Club at its next meeting.

Question was raised concerning the Club purchasing a larger TV for the Thomas Center. Subject was left to the Rec President to investigate, and brought back to the Club at its next meeting.

Question was asked if there would be a patio sale this year. The President's answer was no.

Question was asked about the capabilities of the TV in the Game Room. Questions about the TV's operation should be raised with the Game Room Coordinator, Dan Zimmerman.

The Saturday Coffee pajama morning will be December 27th this year.

Adjourned: Meeting was adjourned at 9:46 am.

Submitted by Douglas Stanley, Treasurer
