

Recreation Club
Meeting Minutes
March 28, 2026

The meeting called to order at 9:33 am by President Doug Stanley

Minutes: As posted accepted by Dave Jacobson, Shelly Willard 2nd

Treasurers Report by Bonnie Stanley

5 months into season our income is \$30,201, expenses are \$28,857.46.

This is approximately \$1000 more than expected to have at this time.

Our fiscal year ends October 31 so summer expenses will occur, however, no significant income is expected. General fund balance is currently \$18,423.

Old Business:

Doug explained that our rules and regulations were condensed significantly, and the forms we use compile valuable information for Rec Club trends and planning.

Chairs: another chair has been ordered; nothing will be decided before the end of this season. It was suggested that the legs on the black chairs we currently have be cut 3/4" so they fit under the table.

2026-2027 Tentative Events Calendar posted.

New Business:

Shelly Willard brought the condition of the red stage curtains forward. A suggestion was made that we put aside money for replacement. Don Jacobsen stated that this might be a park expense, not rec club. This as well as making some side walls for privacy will be brought to the park board.

Doug talked about TC inventory and trying to keep track of the items stored here, e.g. the ping pong table. We will work on a solution that makes sense to address this. A suggestion from the floor was made to move the ping pong table to the pool room.

Recreation Club
Meeting Minutes
March 28, 2026

The Rec Council was reminded of their responsibility to propose agenda items for the Rec board to approve or disapprove.

General Discussion:

It was noted that a new steamer for the kitchen was donated by the Square and Compass group.

Bill Davlin inquired about the new policy of not spending park money on tournament prizes. Doug will bring forth a motion to the Rec Council at the beginning of next season to consider placing it on the Rec Club Agenda to approve or disapprove of Rec funds to be used as prize money for competitive events.

Meeting adjourned at 9:47
